7:30 AM MARCH 8, 2024
UT OUTREACH CENTER

DR. H.M. "HASH" HASHEMIAN

PRESIDENT & CEO, AMS CORPORATION

ABOUT AMS

AMS is a nuclear engineering services company specializing in instrumentation and control system test equipment, training, and services. AMS provides the worldwide nuclear industry with products and services to measure I&C performance and verify compliance with technical specifications and regulatory requirements.

ABOUT HASH

Dr. H.M. Hashemian "Hash" is a globally recognized expert in peaceful applications of nuclear energy for electricity generation and medical diagnostics and treatment. He holds three doctorate degrees in engineering including a Ph.D. in nuclear engineering, a Doctor of Engineering degree in electrical engineering, and a Ph.D. in computer engineering. Hash specializes in nuclear power plant instrumentation and control and has worked for nearly all nuclear power plants in the U.S. and many in Europe and Asia. He is also an adjunct professor of nuclear engineering at the University of Tennessee and is a fellow of ANS, IEEE, and ISA.
