WHAT IS NOW?

What is the ETEC Nuclear Opportunities Workshop? (NOW)

NOW is a nuclear industry conference focused on both fission and fusion subjects for professionals and suppliers. It is a place to learn about industry developments, business opportunities, and advancements in research and technologies. Attendees can network and engage with experts from Tennessee Valley Authority (TVA), the U.S. Department of Energy (DOE) and its contractors, as well as a diverse array of small and large private-industry companies showcasing demonstration projects and technological capabilities. This includes interaction with students, interns, and post-doctoral candidates. Plus, there are opportunities for companies and organizations to promote their services during the 2-day event held at the Hilton Knoxville Airport.

LEARN

NOW offers panel discussions and presentations focused on key topics such as:

- Advanced Nuclear Reactor Development
- Nuclear Fuels
- Fusion Energy
- Nuclear Workforce
- Nuclear Cleanup & Environmental Justice
- Nuclear Security & Energy Security
- Nuclear Medicine & Radioisotopes

PROMOTE

NOW gives you opportunities to promote your company at different levels with inclusion in pre-event marketing, presence during the event in printed, digital and on-screen materials as well as provided exhibition space. Post-event marketing is also a benefit with emails to attendees, social media posts, and your logo on the ETEC website until next year's workshop.

CONNECT

NOW offers a unique environment where you can engage directly with industry experts from TVA, Oak Ridge National Laboratory, Y-12 National Security Complex, Oak Ridge Associated Universities, and United Cleanup Oak Ridge, alongside representatives from DOE/NNSA focusing on Science, Security, and Environmental Management. The large-scale conference, yet small setting provides ample opportunities to forge connections with new industry contacts, as well as interact with students, interns, and post-doctoral candidates.

NOW 2024 OPPORTUNITIES TO SUPPORT & PROMOTE

The following are opportunities to support the conference and promote your company or organization. *New options have been added for 2024.* Benefits for each category are included in each section and below. The cost for an individual registration is \$600 per attendee. There will be a \$100 early bird discount offered May 1-31, 2024. Students attend for free.

[Click here to see these options online and to reserve your spot.](#)
