ETEC & NOW

WHO IS ETEC?

The East Tennessee Economic Council (ETEC) is a membership organization who actively champions and harnesses East Tennessee's federal resources to strengthen national science, security, energy, education, and environmental missions, by fostering regional economic growth through strategic partnerships. Learn more at www.eteconline.org.

INDEPENDENT | NONPROFIT | MEMBERSHIP ORGANIZATION

WHAT IS NOW?

ETEC's annual Nuclear Opportunities Workshop (NOW) is Tennessee's premier nuclear industry conference focused on all things nuclear. For the past six years it has been a place to learn about industry developments, business opportunities, and advancements in research and technologies.

NOW 2025 will offer panel discussions, keynote presentations, and fireside chats on topics like:

- Advanced Reactors
- AI Needs Nuclear: Nuclear Needs AI
- Department of Energy Priorities
- Energy Security / National Security
- Funding & Finances
- Fusion Energy
- The Future Begins with Cleanup
- Innovative Applications of Nuclear Technologies
- Nuclear Fuel: Cycle & Fabrication
- Nuclear Workforce, Training, and Education
- Policy and Regulation Landscape
- Supply Chain and Construction

Elected Officials as Speakers

600+ Attended NOW 2024

KEY POINTS

LEARN

NOW features sessions that cover the business aspects of the nuclear industry as well as the technical side. This gives you and your company the opportunity to learn about both.

Fireside Chat with Experts

PROMOTE

NOW gives you opportunities to promote your company at different levels with inclusion in pre-event marketing, presence during the event in printed, digital, potential for social media, and on-screen materials as well as exhibition space. Post-event marketing is also a benefit with emails to attendees, and your logo on the ETEC website until next year's conference promotion.

Nuclear Fuels Panel

CONNECT

NOW offers a unique environment where you can engage with experts from Tennessee Valley Authority, the U.S. Department of Energy, and its M&O contractors and their subcontractors, as well as a diverse array of small and large private-industry companies showcasing projects and technological capabilities. This includes interaction with students, interns, and postdocs as part of our efforts to grow the future workforce in Tennessee.

50+ Exhibit Booths in 2024

Networking Opportunities

Mission

ETEC actively champions and harnesses East Tennessee's federal resources to strengthen national science, security, energy, education, and environmental missions, by fostering regional economic growth through strategic partnerships. Learn more at www.eteconline.org.

INDEPENDENT | NONPROFIT | MEMBERSHIP ORGANIZATION

Membership

We accomplish this mission by convening and connecting our members and guests, and educating our elected officials. For more information [click here](#) or scan the code.

ETEC Membership

Meetings

*Weekly on Friday mornings
7:30 - 8:30 a.m.
1201 Oak Ridge Turnpike
Oak Ridge, Tennessee*

Join us in person or on Zoom for ETEC's weekly meeting attended by an average of 150 members and guests. They feature programs from experts in a variety of professional fields.

Members enjoy the opportunity to network with federal senior management, local business leaders, and elected officials in a casual environment while staying up to date on key issues and learning about interesting topics. [Get all the details here.](#)
