- GRAB & GO BREAKFAST PLUS SNACKS
- OVER 20 EXHIBITORS

This 2nd Annual **Tennessee Nuclear & Innovative Energy Day on the Hill in Nashville** provides a forum for education, networking, and advocacy that is essential for promoting the region's leadership in the nuclear and energy innovation sectors. By facilitating direct interaction between industry leaders and legislators, it helps to ensure that the needs of the sector are well-represented and understood, driving both policy and investment decisions that support future growth.
