

NUCLEAR ENERGY INSTITUTE

Marc Nichol
Director, New Reactor Deployment
Nuclear Energy Institute (NEI)

Marc Nichol joined Nuclear Energy Institute (NEI) in 2011 and is the Director of New Reactor Deployment. In this role, he leads industry's efforts to improve the policy and business environment to building new reactors. Prior to this, Marc led industry efforts to resolve generic regulatory issues in the areas of Small Modular Reactors, used fuel and quality assurance.

Marc has previously worked for Duke Energy, Toshiba America Nuclear Energy and Transnuclear, in the areas of used nuclear fuel management, operations and new plant projects.

Marc holds degrees in Nuclear Engineering from Purdue University and the University of California Berkeley, and an MBA from the University of North Carolina.
