

**Be a Part of...**

## **THE FUTURE OF MANUFACTURING**

A workshop focused on giving companies insights for utilizing specialized research in big data analytics to improve manufacturing processes and productivity.

**Thursday, September 5, 2019**

**8:00 am – 5:00 pm**

Hosted at:

**The Department of Energy's  
Manufacturing Demonstration Facility (MDF) at ORNL**

Building 3, Room 112 A-C

2350 Cherahala Blvd.

Knoxville, TN 37932

Agenda includes: Demonstration of tools, tour of the MDF (begins at 5:00 pm), lunch, keynote presentations, and specialized listening sessions to determine *your* challenges and solutions.
