

THE U.S. DEPARTMENT OF ENERGY'S OAK RIDGE RESERVATION

Global Innovation Leader. Local Economic Driver.

The U.S. Department of Energy's (DOE) Oak Ridge Reservation is a critical asset for our nation and the global community. A world leader in transformative science and technology, Oak Ridge is a place of innovation and creativity, where cutting-edge facilities and world-class talent converge to enhance national security, improve the environment, and advance scientific discoveries. The Oak Ridge Reservation is also a job-creation engine, injecting billions into Tennessee's economy.

Despite the global COVID-19 pandemic, DOE's missions never ceased in Oak Ridge. In fact, these missions gave way to innovations that are helping to stop the spread of COVID-19 at home and around the world.
